## ANNOUNCEMENT FOR BETA TESTING OF FILENEST ANDROID APPLICATION

I am delighted to announce that we have officially opened beta testing for the all-new **FileNest** app!

From **May 25, 2026, to June 30, 2026**, I am inviting users to get an exclusive first look at this all-in-one PDF and image tool. Your feedback during this period will be instrumental in shaping the final experience.

**Special Incentive:** To make things even more exciting, the testers who provide the more and the most accurate bug reports will **win a surprise!** I'm looking for detailed, actionable feedback to help me make FileNest the best it can be.

**How to join:** If you are interested in testing FileNest and helping us refine its features, please register at the link below:
